Members' success stories

Kathy McKeon, Senior Account Executive

"The Fearless Leadership Mastermind program has been a personal and professional game-changer for me! Now I have more tools to continue to grow as a leader, to build mutually beneficial relationships, and take care of myself, my team, and the people I care about."

Mercedes Tarlati, Director, Head of Study Design

"When I joined the program, I was a manager with ten people reporting to me in Argentina. I couldn't find the career opportunities I was looking for. Everything is changing as I'm moving to the U.S. for a Director position with 19 people reporting to me. Making this investment in myself was absolutely worth it."

Tom Tysz, Director, Chief Human Resources Officer

"When we started working with Ginny, we needed assistance with several managers who had challenges interacting and motivating their staff. Ginny built relationships and gained the trust of our employees. Her influence made an immediate and lasting impact on the way our leadership engaged with their teams."
